Ziegler, Lloyd H.: Depression as the chief symptom..... 689

Zubin, Joseph: Are mental diseases on the increase?..... 165

SUBJECT INDEX

Acute hallucinosis, personality in..... 732

Acute hallucinosis, the syndrome of..... 466

Acutely disturbed mental patients, a theory for the cause of death in 503

Afferent stimuli and learning process, psychiatric evaluation of..... 322

Alcoholic disorders, personality in..... 732

Alcoholic deterioration, a contribution to the problem of..... 721

Alcoholic hallucinosis, acute, the syndrome of..... 466

Aplastic anemia arising during metrazol treatment of schizophrenia.. 419

PAGE

Behavior problem—runaways 539

Benzedrine Sulphate, treatment of schizophrenia with 127

Blood-cerebrospinal fluid barrier of normal children, as determined by the bromide-permeability quotient 639

Book reviews (See end of index)

Brain pathology in four cases of schizophrenia treated with insulin .. 207

Bromide-permeability quotient, blood-cerebrospinal fluid barrier in normal children as determined by 639

Bromide-permeability quotient in mongolism and epilepsy 438

Bronchial asthma, the psychic aspects of 521

Christian formulation and medicine, the 705

Constitutional factors in psychotic male homosexuals 391

Convulsive disorders, the effect of diphenyl hydantoinate (Dilantin) in 711

Cryptogenic epilepsy, induced hypoglycemic shock in 348

Deaths in acutely disturbed mental patients, a theory for the cause of 503

Delirium tremens, personality in 732

Dementia præcox patients treated with metrazol, a statistical study of 1,140 558

Dilantin (diphenyl hydantoinate) in convulsive disorders, the effect of 711

Electroencephalography 5

Epilepsy, bromide-permeability quotient in 438

Epilepsy, cryptogenic, induced hypoglycemic shock in 348

Epilepties, thyroid therapy in a series of 33

Foster family care for the mentally ill, the therapeutic promise of ... 16

Freud, Sigmund, note on the death of 795

Hallucinosis, acute, personality in 732

Hallucinosis, acute alcoholic, the syndrome of 466

PAGE

Hepatic function, the effect of insulin hypoglycemic shock therapy on 346

Homicide, unconscious determinants in 605

Homosexuality in relation to total personality, some aspects of 229

Homosexuals, psychotic male, constitutional factors in 391

Hospitalization, the psychotherapy of 309

Humor and hypomania 681

Hutchings, Richard H., in tribute to 744

Hypoglycemic shock, induced, in cryptogenic epilepsy 348

Hypomania, humor and 681

Ideas of influence, psychology of 401

Incontinence in acutely psychotic patients 294

Influence, psychology of ideas of 401

Insulin, brain pathology in four cases of schizophrenia treated with 207

Insulin and metrazol therapy in identical twins 114

Insulin hypoglycemic shock therapy, the effect of, on hepatic function 346

Insulin hypoglycemic shock treatment, metabolic studies of mental patients treated with 429

Insulin shock and metrazol treatments, the technique of 96

Insulin therapy, fatality following 361

Insulin-treated patients, subsequent course in a series of fifty-five 123

Insulin treatment of schizophrenia, modifications in the 357

Involutional (mental) syndrome, the 42

Juvenile delinquent group, reaction of a, to story and drama technique 245

Law, psychiatry and the—cooperators or antagonists? 622

Learning process, psychiatric evaluation of afferent stimuli and 322

Literacy and mental disease 145

Lung abscess, etiology and prevention of, in metrazol therapy 303

PAGE

Manic-depressive depressions, differentiating from other depressions, a method for, by means of parotid secretion 697

Medicine, the Christian formulation and 705

Mental disease, literacy and 145

Mental diseases on the increase, Are? 165

Metabolic studies of mental patients treated with insulin hypoglycemic shock, III 429

Metrazol, dementia præcox patients treated with, a statistical study of 1,140 558

Metrazol, the technique of insulin shock and 96

Metrazol therapy, insulin and, in identical twins 114

Metrazol therapy, "lung abscess" in, etiology and prevention of 303

Metrazol therapy in manic-depressive and involutional psychoses 498

Metrazol therapy in schizophrenia, results of 106

Metrazol treatment of schizophrenia, aplastic anemia arising during .. 419

Mongolism and epilepsy, bromide-permeability quotient in 438

Myasthenia gravis, prostigmin treatment of 90

Negroes and whites in New York State prisons, a comparative study of psychoses among 160

Notes, 198, 385, 594 795

One-contact case, the 330

Parotid secretion, differentiating manic-depressive depressions from other depressions by means of 697

Pellagra: report of two cases in psychotic patients 83

Personality in alcoholic disorders 732

Personality development, total, homosexuality in relation to, some aspects of 229

Personality, previous, in prison psychoses 514

Postemotive schizophrenia 278

PAGE

Prison psychoses, symptoms and previous personality in..... 514

Prisons, psychoses among negroes and whites in New York State, a comparative study of..... 160

Prostigmin treatment of myasthenia gravis..... 90

Psychiatric Institute and Hospital, a review of the research aims of, 1938 259

Psychiatry and the law—cooperators or antagonists?..... 622

Psychic aspects of bronchial asthma..... 521

Psychology of ideas of influence..... 401

Psychopathic personality, psychosis with..... 457

Psychotherapy of hospitalization, the..... 309

Reticuloendothelial system, during metrazol treatment, disturbances in the..... 534

Richard H. Hutchings, in tribute to..... 744

Runaways, a behavior problem..... 539

Schizophrenia, brain pathology of four cases of, treated with insulin.. 207

Schizophrenia, postemotive..... 278

Schizophrenia, results of metrazol therapy in..... 106

Schizophrenia, the serum lipids in..... 441

Schizophrenia, treatment of, with sympathomimetic drugs: Benzedrine Sulfate 127

Serum lipids in schizophrenia, the..... 441

Story and drama techniques, reaction of a juvenile delinquent group to 245

Sympathomimetic drugs: Benzedrine Sulfate, treatment of schizophrenia with..... 127

Syphilitic meningo-encephalitis, psychosis with, eight months after chancre 16

Therapeutic promise of foster family care for the mental ill..... 16

Thyroid therapy in a series of epilepties..... 33

Unconscious determinants in homicide..... 605
